PLL OUTCOMES

- ✓ 83% Family engagement and completion rate
- ✓ Statistically significant improvement relative to comparison group in:
 - Youth internalizing and externalizing emotional and behavioral problems
 - Return to services
 - Recidivism rates
 - Cost savings: shortened length of service

PLL CULTURE OF SERVANT LEADERSHIP

- Demonstrates philosophy of continuous support
- Measures and celebrates milestone fidelity achievements
- Values collaborative relationships
- Promotes an attitude of optimism and success

SUPPORTING STATES IN IMPLEMENTING FAMILY FIRST PREVENTION SERVICES ACT (FFPSA) REQUIREMENTS

Since 2000, PLL has been working with agencies to implement prevention and aftercare services to youth, parents and kinship.

Experts in evidence-based, in-home parent skills-based programming, PLL meets FFPSA standards including:

- Trauma-informed
- Youth specific, family-focused services
- Continuous data collection, reporting and evaluation

Let PLL help your agency plan to meet FFPSA requirements. Contact us: ABlodgett@GoPLL.com.

SPECIALIZING IN FAMILY-FOCUSED TREATMENT FOR ADOLESCENTS AGES 10 TO 18

PLL brings ease to the implementation of an evidence-based model by providing:

- Research data for Transitional Approval for FFPSA
- Manualized curriculum for therapists, youth and families in English and Spanish
- Comprehensive training at provider location
- Implementation and Sustainability Experts
- On-going Clinical Supervision ensuring fidelity success

RECOGNIZED AS AN EVIDENCE-BASED FAMILY SYSTEMS TREATMENT MODEL

- [California Evidence-Based Clearinghouse \(CEBC\)](#)
- [Casey Family Programs Interventions for FFPSA](#)
- [Promising Practices Network on Children, Families and Communities](#)
- [OJJDP Model Programs Guide](#)
- [Washington State Institute for Public Policy \(WSIPP\)](#)
